For this quarter, all inmates convicted for a violation of Penal Code Section 166 (violation of a court order), remanded to the County jail and had a release date during these months served 100 percent of their sentence.

If you have any questions or concerns, please feel free to contact me or Chief Marc L. Klugman of Correctional Services Division, at (213) 893-5017.

On June 7, 2005, your Board requested the Sheriff to require all inmates sentenced for violating a contempt of court gang injunction to serve 100 percent of their sentence. It was also requested that the Los Angeles County Sheriff's Department (Department) provide a quarterly report as to the status of this request. This report covers the three-month period (quarter) of September, October, and November 2005.

The Department identified 28 inmates sentenced under a contempt of court gang injunction. Of those 28 inmates, 10 were released during this reporting period. None of the 10 inmates were granted an early release date and all were processed for release following normal release procedure time lines.

Depending on a multitude of factors, the release process may only take a few hours, but may take days to complete. Because of this, the release process is generally initiated 24-48 hours prior to the actual release date in order to alleviate the potential for over detention.

Of the 10 inmates who were released during this quarter, one (1) was released 48 hours prior to his actual release date, seven (7) were released 24 hours prior, and two (2) were released on their actual release date.

Dear Supervisors:

STATUS OF THE EARLY RELEASE PROGRAM-MONTHLY REPORT

This correspondence is in response to your February 15, 2005, request for monthly reports regarding: 1) the actual spending in custody; 2) the actual bed count of inmates in custody; 3a) the number of deputies and 3b) custody assistants actually deployed in Custody Division; and 4) early releases.

The Early Release Program involves a rather complicated formula to reduce the current inmate population. Attachment A summarizes the current spending in Custody Division. The table found in Attachment B delineates the actual bed count of inmates in custody, the number of personnel deployed in custody, and the number of inmates released from custody under the Early Release Program.

Should you have any questions, please feel free to contact me or Chief Alexander Yim at (213) 893-5017.
